Season 1919-20

(These Prices Subject to Change
Without Notice)

TERMS

TIME OF SHIPMENT—In December we start the tree digger under the Roses and ship out early orders as fast as ready. Our Concrete Cellars enable us to hold stock dormant through the season in good condition. We cannot promise to hold any orders later than March 15th; however, we prefer to ship all orders during January and February.

TO THE TRADE ONLY—Prices shown are for first-class stock, of the grade named, and are subject to change without notice. This list cancels all previous prices.

Our terms are cash, or satisfactory references before shipment. To established nurserymen and florists, known to us, or to those who give the necessary rating, credit will be granted on the following terms: Sixty days net f. o. b. Hemet, California; 3 per cent discount for cash with order; 2 per cent in 10 days; 1 per cent in 30 days.

C. O. D. SHIPMENTS—Must have one-fourth of the amount remitted with the order. This also applies on orders sent in with "shipping instructions to follow."

PACKING CHARGES—Owing to the excessive cost of all packing material we are obliged to make a packing charge. This will not be in excess of the established charges and if possible we will hold it below.

SUBSTITUTION—We do not substitute unless instructed to do so, and then label true to name. Customers will save time by naming a second choice, to be applied only when first choice is sold out.

PRO RATA—As it is almost impossible to count Roses in the field when partly grown there is a feature of uncertainty about all orders booked before digging. Consequently we reserve the right to fill such pro rata.

EXPRESS SHIPMENTS RECOMMENDED—

H. T. Roses packed light for express weigh 20 pounds to 25 pounds per 100 plants. Less than 250 will not secure the minimum rate, as the rate increases on the smaller packages. On 250 plants we guarantee the express will not exceed $\frac{1}{4}$ c per plant Zone number (ie., in the 8th Zone 2c, in the 7th Zone $1\frac{3}{4}$ c, etc.). Note your location on the Zone Map and you can easily figure exact cost delivered at your door. Eliminate the question mark—this is a guarantee. No. 2 grade weigh 80 per cent to 50 per cent less than No. 1 grade.

WHOLESALE—The use of printed stationery as a protection is desirable. If it is not used the purchaser should state clearly his position. We print only wholesale trade-lists, and do not desire or solicit retail orders.

GENUINENESS—We exercise care to keep all varieties true to name, and hold ourselves in readiness at all times to replace, on proper proof all stock that may prove otherwise, but it is mutually agreed between the purchaser and ourselves that we shall not at any time be liable for any amount greater than the original price of the stock. All sales made subject to stock being unsold when order is received, or loss by any and all unavoidable causes. Freight shipments travel at risk of purchaser.
